

# STREAMLINE EFFICIENT OPERATIONS

“We love the Title1Crate system, even moreso with the recent updates. I’m excited to continue our partnership.”

Johanna Mercado, Grant Project Manager

## OVERVIEW

Osceola School District, a district with 60 schools and over 60,000 students, experienced a major challenge with getting their campuses to submit completed documentation in a timely manner. They were looking for a system that would keep their schools and departments on track and informed on their status. They also desired a tool that could easily provide status reports.

## SOLUTION

The team at Osceola School District found Title1Crate to be easy to use and access. The districts really liked that Title1Crate provided automated alerts to their schools. This helped keep their schools and departments organized and stay on track and informed. Soon after implementation, all schools and departments were submitting their completed compliance documentation on time and even ahead of schedule!

## RESULTS

Osceola School District was particularly impressed with the exceptional customer service that 806 Technologies provides. Whenever they need assistance, Osceola finds the 806 team to be kind, helpful, and quick to respond.
