

STAY ORGANIZED WITH US

Title1Crate has afforded us the ability to keep all files in one easy-to-access location.

Darrin Feerrar, Principal / Federal Programs Coordinator

OVERVIEW

Montoursville Area School District, a district with 4 schools and nearly 2,000 students needed a system to maintain and organize their compliance files. The required a tool that could allow them to sort and file documentation easily for easy, clear record keeping.

SOLUTION

We worked with Montoursville Area School District to train them on the software and help them with implementation. Title1Crate helped the district to save time and stay organized. Supervisors can now delegate items to their staff on different campuses.

RESULTS

Today, Montoursville Area School District can access all of their compliance documentation in one easy-to-access location. The district is operating efficiently and with greater organization.

EFFICIENT OPERATIONS

Our software creates a streamlined administrative environment that both campuses and districts love.

USER-FRIENDLY SOFTWARE

We help teams understand our software, which is simple and straightforward, so they can get up-and-running in a short timeframe.

CONTINUOUS IMPROVEMENT

Districts choose to stay with us year after year because we regularly improve Title1Crate to reflect the latest state and federal regulations.

EXPERT ADVISORS

We are not just software providers - we are your partners. Our experienced team is ready to provide support whenever needed.
