

IMPROVE CAMPUS CONNECTION

“My school-level folks love Title1Crate! It has really streamlined record keeping for them!”

Amy Gullion, Federal Programs Supervisor

OVERVIEW

Wilson County Schools, a district with 24 schools and nearly 18,000 students, were struggling to keep their compliance documentation organized. They needed to find a solution that provided a single, clear place to organize all required documentation.

SOLUTION

Wilson County Schools decided to implement Title1Crate. The district was particularly impressed with the reliability of the platform. Now, every school knows exactly what to upload and where to upload it. Even better, they receive automated reminders so nothing ever goes overlooked!

RESULTS

Title1Crate has helped Wilson County Schools to reduce the time spent on organizing compliance documentation, to increase efficiency of operations, and to create a more productive staff.
