

COLLABORATE EFFICIENTLY & EFFECTIVELY

“Plan4Learning was singlehandedly one of the best technology tools implemented in Richardson ISD.”

Tabitha Branum, Deputy Superintendent

OVERVIEW

Richardson ISD, a district with 56 campuses and nearly 40,000 students, needed a tool that made collaboration possible, improved efficiency, and enabled monitoring and follow-up for all of their improvement plans. And they needed this all at an affordable price.

SOLUTION

We worked closely with Richardson ISD to help them choose the best solution for their district. Richardson ISD chose to implement Plan4Learning across every campus. It fulfilled every promise of the technology tool that they were looking for. With the help of our support team, Richardson ISD implemented the product with ease.

RESULTS

Today, Richardson ISD cannot imagine their improvement planning process without the help of Plan4Learning. The district celebrates how Plan4Learning has revolutionized their entire process around improvement planning.

EASY COLLABORATION

Work with every campus remotely and stay in-the-know on all progress made with this user-friendly, web-based tool.

IMPROVED EFFICIENCY

Plan4Learning provides consistency in the planning process, enabling the district to ensure complete alignment of goals.

CONTINUOUS MONITORING

Monitor and follow-up with every campus on the progress of their Campus Improvement Plans to ensure alignment.

AFFORDABLE

We pride ourselves on maintaining transparent, competitive prices in the marketplace for education software.
